

UNIFORM POLICY

Blakes Crossing Christian College has developed this policy to foster high standards of presentation, discipline and to minimise influences that distract from the purpose of the College.

1. RATIONALE:

- Our expectation is that a student should be neat, modest, and well-groomed in appearance.
- All clothing must be clean, fitting properly and in good repair.
- Students are expected to exercise good habits of personal grooming and modesty.

2. PRINCIPLES:

Blakes Crossing Christian College is committed to the wearing of uniforms by its students. We perceive this policy to have five fundamental benefits:

- Uniforms help identify us as belonging to a particular community. In our case, we are identified as part of a Christian community which is proud of its heritage and relationship with Christ.
- Uniforms positively affect school discipline - Blakes Crossing Christian College places particular value on a disciplined learning environment. It is our hope that when children wear their uniforms, they understand that they are expected to engage in studious activity. Just as parents dress for their workday, wearing a school uniform is a signal that education is the focus of the student's day.
- Uniforms encourage team spirit - uniforms set our students apart from other schools. It encourages students to operate as part of a body, much like an athletic team identified by common dress. It is our hope that students will take pride in the uniform and the College it represents.
- Uniforms prevent the application of subjective dress standards - parents, students and teachers know that the uniform meets Blakes Crossing Christian College's modesty and WHS standards.
- Uniforms decrease clothing costs - uniforms are rugged and of high quality which withstand the wear and tear of school life. Uniforms can often be handed down to other siblings or sold second hand.

3. UNIFORM REQUIREMENTS:

- Students are expected to be in complete uniform every day for the duration of the school day, unless otherwise approved by the Principal for special classroom or school events.
- If a student is unable to comply with this regulation, a parent/carer must send a written note via the student's class/PC teacher, explaining why their child is in breach of the uniform policy.
- Students in incorrect or incomplete school uniform, may be sent home to change into the correct and complete uniform.
- Students are expected to keep their uniforms clean, tidy and in good repair (including black school shoes).
- All items are to be purchased from the BCCC Uniform Shop, except shoes and socks.
- During the last two weeks of Term 3 only, students may wear uniforms appropriate to the weather. However, students must either wear winter uniform or summer uniform, not a combination of both.
