Introduction

PRINCIPAL'S REPORT

As part of Blakes Crossing Christian College's funding agreement with the Commonwealth Government under the School Assistance Act 2008, we are required to ensure that certain "School Performance Information" is made available to the school community.

The information contained in this report relates to the 2016 school year.

The performance measures which we are required to publicly report on are:

1. Contextual information about BCCC, including the characteristics of the student body.
2. Teacher standards and qualifications (as mandated in the relevant jurisdiction).
3. Workforce composition, including Indigenous composition.
4. Student attendance at school.
5. Student outcomes in standardised national literacy and numeracy testing (NAPLAN).
6. Parent, student and teacher satisfaction with the school.
7. School income.

Growth in enrolment numbers across the College continues to be a clear indicator of the College's success. Total enrolments at Census for 2016 totalled 206 students. BCCC continued to enjoy significant growth in our enrolment numbers overall with the addition of Year 7 at the start of the year and with additional enrolments during the 2016 school year. Our total enrolments at the end of the year were 234.

2016 saw the development of our Stage 2 building, consisting of 4 classrooms and student toilet facilities. This building accommodates our 2 Reception classes and 2 Year 1 classes.

The Leadership Team of the College, consisting of the Principal, Head of Primary, Middle School Coordinator and Administration Manager, led the school through a very busy and exciting year. We added an additional class for the start of Term 3, restructuring our classes to accommodate the increase in enrolments.

My thanks go to the staff for the commitment and professionalism they bring to BCCC. I commend them for their flexibility and 'can do' attitude to grow and change with the development of the College. I thank the Leadership Team for their hard work and tireless efforts in the development an excellent school of choice for families in our surrounding area. Mrs Penny Hayman has taken the lead for the Primary years and continues to fulfil the role of Curriculum Coordinator. Mr Simon George has contributed to the growth of the College program in his capacity as Middle School Coordinator. Mrs Shona Mathieson ably leads our admin/business team. Her duties often go unnoticed, but are significant in the running of the College. I sincerely thank the Leadership Team for their support and encouragement of me, the staff and students of the College. It truly is a team environment.

As a growing College, strategic staffing is vital. I wish to thank the staff new to the College for their contribution to the life of the school. In 2016, we welcomed 6 additional staff to accommodate our growing number of classes. We continued to offer specialist subjects in the areas of PE, Performing Arts and LOTE (Indonesian) to all students in Reception to Year 7.

I am continually thankful to the parents of our students for their significant and unwavering support as well as their involvement in our College community. Living in Community is an important aspect of school life at BCCC and I am grateful for the commitment of our families.

I am also sincerely thankful for the support and leadership of the College by the CCM Board of Directors, the CEO, Mr John Lyndon, Mr Terrence McCorkell as well as the CCM office staff for their support and assistance.

I look forward to seeing Blakes Crossing Christian College continue to grow and develop its facilities, but more importantly, to see its students experience what it is to be "Educated for Eternity".

A description of how non-attendance is managed by the College

A roll call is completed electronically, using Edumate in Home Groups by the Home Group teachers prior to 9.00am each school day. Once the daily roll is taken, the parents/carers of students who are recorded with an unexplained absence are sent an SMS text message by 10.00am seeking clarification as to the reason for the absence. Children who arrive after the bell are required to report to Student Services with their parents, who will sign them in. These students are recorded as late. BCCC has a designated SMS text number for absentees so parents can notify the College. These texts are checked first thing in the morning.

Families who organise holidays during term time are required to complete and submit an attendance exemption form for approval by the Principal, reinforcing the compulsory nature of this type of notification.

Overall student attendance is monitored by the Principal.

STUDENT OUTCOMES IN STANDARDISED NATIONAL LITERACY AND NUMERACY TESTING

NAPLAN (National Assessment Program Literacy and Numeracy) testing was undertaken in Term 2, with the following results. This is a compulsory nationwide program conducted on the same day across Australia. Children in Years 3, 5 and 7 were assessed in the areas of Reading, Writing, Spelling, Grammar and Punctuation and Numeracy. Student achievement is reported in relation to national minimum standards – either above, at or below the minimum standard. Individual NAPLAN reports were sent home to parents.

Percentage of students who met the national minimum standard for each year level

	Reading	Writing	Spelling	Grammar & Punctuation	Numeracy
Year 3	86%	100%	89%	96%	85%
Year 5	84%	84%	76%	92%	92%
Year 7	100%	87%	87%	93%	87%

In calculating the class percentage, students who have been exempt from the NAPLAN assessments are included. These students are deemed by the Australian Government to have not achieved the national minimum standard. Students who were absent for the NAPLAN assessment or withdrawn by their parents are not included in the class percentage.

It is important to note that as our College is only in its third year of operation, our current Year 3, Year 5 and Year 7 students have come to BCCC from other schools. This may have an impact on overall NAPLAN results.

PARENT, STUDENT AND TEACHER SATISFACTION WITH THE SCHOOL

Teaching staff participate in a weekly teacher administration/professional development meeting. Staff new to the College are taken through an appraisal process that gives formal avenues for review and feedback. These forums provide opportunity for regular feedback in relation to areas of success and further growth. It gives us the opportunity to collaboratively develop solutions to any problems that may arise.

Parents are provided with the opportunity to communicate with the Principal through special meetings which are held in relation to set topics, encouraging feedback from the College community. An opportunity for direct feedback to the Principal is also encouraged via informal and formal meetings as well as email.

Overall the feedback received is extremely positive and points to a school that has much to be proud of.

The College possesses an excellent image as a learning institution with a high level of respect and care for members of our College community which are a key feature of our success.

Teachers are well regarded and respected as professionals and both parents and students have a high view of staff relationships. The school is viewed in the broader community as one that is growing and developing rapidly, with a wholesome reputation of being a caring community that is well resourced with outstanding facilities.

Staff, students and parents agree that school values/student profiles are promoted within and outside the College. Parent expectations of student success are well regarded to be high and this points to a school that is increasingly community minded.

Teachers describe a school wide approach to the how and why we teach in the manner in which we do it (pedagogy) that is grounded in authentic theory, influencing teaching and learning that is closely linked to the College's vision.

Teachers have commented positively about opportunities for personal and professional learning. The staff and leadership team are open to constructive feedback and understand that improvement is built on recognising success.
